THE EDITOR'S DESK

She's doing such a good job that I figured she could stay in office for another month!

Again, sorry for the extreme delay in getting the August issue of the REAR ENGINE REVIEW to you. I had hoped to include some photos of the International CORSA convention and perhaps some written adventures as experienced by INCC members. Long time club member Bob Phelps mentioned that he had some photos but would not be able to send them right away. When eventually received, I thought I'd be able to download, save, and insert a few directly into this issue. They were sent via a photo sharing site and evidently there's more of a trick to it than I realized. I've finally managed to get one picture to save to my files and have included it on the cover. If Bob is willing, I will forward the album to INCC members via e-mail. If I eventually figure out how to obtain more of the pictures, I'll include them in future issues.

Along with this issue I'm including a copy of the registration form for the Palouse Days Show and Shine. It's also possible to simply register when you get there.

If anyone has information or a good Corvair story they'd like to share, send it along and I'll try to get it in the REAR ENGINE

REVIEW. Pictures of events or of your Corvair are welcome too. Jpeg format is probably best, but if need be, I can print and scan just about anything. (Articles or columns from club officers are especially welcome... hint! hint!)

CLUB BUSINESS CARDS

Contact INLAND NORTHWEST CORVAIR CLUB President Dave Fender for business cards with the new club logo on them. They have a place where you can add your contact information.

TREASURER'S REPORT

Submitted by Dave McChesney

We had a minimum of financial activity, gaining another 11¢ in dividends. That gives us \$142.99 in Checking and \$1261.76 in Savings, for a total of \$1404.75 in "the bank"

Dues are \$15.00 per year. CORSA members pay \$13.00. Payment in advance extends your membership one year from the current date of expiration. Late payment procures a year's membership from the date payment is received, a very special deal for those who are always overdue.

If you cannot attend a club event and pay your dues in person, please send a check or money order to the club's mailing address:

**Inland Northwest Corvair Club
P. O. Box 9689
Spokane, WA 99209-9689**

I currently check the club's Post Office Box every Saturday. Checks received for dues are deposited early the following week

The

...seamlessly combine Age of Sail/Naval Adventure, typified by C. S. Forester's *Horatio Hornblower* and Patrick O'Brian's *Master and Commander*, with a unique Science Fiction/Alternate World twist.

CALENDAR OF EVENTS

A month or so ago when I was asked to resume editing/publishing the REAR ENGINE REVIEW, someone suggested that I should include a listing of upcoming events. So when I put out last month's issue, I promptly forgot to include it. That being said, here is a list of our club's upcoming events.

(These events, including any web-site links can also be found at www.corvairclub.com Click on the "Calendar" tab.)

AUGUST 9, 2014

SEPTEMBER 13, 2014

PALOUSE DAYS (CLUB DRIVE)

www.palousedays.com

If anyone has ideas for a meeting place so we can go down as a group, let me know so I can pass the word to the rest of the club. Unless they have changed things, there is no model year restriction on what you can enter... so if your Corvair or other Classic Car isn't up for the trip, bring your new set of wheels and put that on display. At one time your editor entered his '98 Suzuki Sidekick, and this year may put his '14 Nissan Frontier in the show. (It's an easy way to find a parking space.)

BIRD MUSEUM OF AVIATION AND INVENTION (CLUB DRIVE)

OCTOBER 11, 2014
