The Prez Sez . . .

Well, this is the first time at the wheel for me, so please bear with me. I hope everyone had a great Christmas and a happy new year. The Christmas party went well and a good time was had by all. I'm proud to say, Anthony did not steal my gift this year!

The work party I had last month was a success. We changed out the shift cable without too many hick ups. It was a fun day and I know I learned a lot. I want to thank everyone who came out to help that day, looks like it cured my problem. Work parties like this really show how great this club really is.

I am sorry for not being at the first meeting of the year, but that was the first night of Cavalcade and I had my car down there (if you haven't heard, I won my class).

We had the swap meet last weekend and I think it went very well, thanks to everyone who helped and participated.

On a final note, I wanted to say how excited I am to be the next president of the club, I can't wait to see what this next year will bring.

Wes Greiwe

Just-A-Minute

MINUTES OF JANUARY MEETING

Meeting called to order by Greg at 8:03 p.m. There were 16 members in attendance.

Mike reported a balance of \$3580.59 in the club treasury.

OLD BUSINESS

Final preparations for the swap meet were discussed. Several members have volunteered to work various jobs that day. The ladies in attendance also volunteered to provide food to sell.

Patty Demeter is going to place our order for the club's 40th anniversary shirts. They should arrive in time to be available for the swap meet.

The tech session to replace the Powerglide shift cable in Wes' car went well. After also replacing a pan gasket that had to be reused that day, it is reported that the trans is now leak-free.

NEW BUSINESS

The tour of the American Sign Museum is scheduled for Saturday, February 15. Because of this, there will be no regular Friday night meeting in February.

Karl brought part of his collection of CORSA Communiques and Negative Cambers to the meeting for anyone who wished to have them. He will bring the remainder of them to be given away at the swap meet.

Mike is going to check to see when we last made a donation to the City of Mt. Healthy.

Greg proposed having a dinner drive, possibly to Valley Vineyards sometime later this year. We will discuss this at greater length at a future meeting.

The Leprechaun Run to benefit the League for Animal Welfare will be held on March 22. Greg has asked that we try to have some Corvairs participate in the run this year.

Meeting adjourned at 8:56 p.m.

Respectfully submitted,
Ralph Gubser, Secretary

Condition of paint, upholstery, tires unimportant. Doesn't have to run for long distances but I'd at least like it to be moveable under its own power if possible. Willing to travel for the right one. Any leads appreciated. Thanks! Ralph [\(513\) 741-8247](tel:5137418247) or rguber@zoomtown.com

Upcoming Events

Special Notice! Our normal meeting that would have happened on Friday February 14th has been cancelled because we are going to have our group outing to the American Sign Museum the very next day (see below). We had an impromptu monthly meeting right after the Winter Swap Meet on February 1st.

American Sign Museum tour Saturday February 15th, 2014. It's confirmed, so mark your calendars. We will be doing a tour of the American Sign Museum. Please arrive at 10AM. Last we heard if we have a group of 10 or so, the entrance fee will be \$10 each. We are planning to hit nearby Camp Washington Chili for lunch after our tour. The address and a map link is below.
