The Prez Sez . . .

September/October 2013

Well guys, looks like the cooler weather is on the way. I had to scrap frost from the windshield. I guess it is time to consider putting our babies away for the winter.

In retrospect I think we had a great year. The club made it to several shows. I especially enjoyed making it to the national convention this year. Seeing that never used 69 Monza body was super cool. Wes had a great year getting awards and trophies at every turn. He was looking good again at this year Pumpkin run!!

As we move into fall we have more things coming. Our Christmas Party is set for Saturday December 7th. We are at Vincenzos again this year. We always have a good time. Make sure you join in on the fun this year.

Our annual swap meeting will be Saturday February 1st. Mike has reserved the location. Let's make sure we have another good year. Start to line up some cool stuff to sell. I heard a rumor the other day but I have not been able to confirm. Jay Leno has purchased a Yenko Stinger. This would be the third Corvair for Jay if my count is right. Looks like "one is not enough" for Jay either. One of you club members may have some details. If so, bring it to the next meeting.

We have had some discussion on a winter activity at previous meetings. I don't think we have locked anything down for sure yet (missed October meeting). Bring your ideas, we need to get something on the calendar. I don't know about you guys but I need a regular diet of Corvair. I can't make it to spring without some type of winter fun.

One last note – We are getting close to selecting Officers for next year. We vote during the Christmas party. It would nice to have candidates named in the November/December newsletter. If you are interested in a role please tell one of the current Officers. We are interested if new members want to get involved!!!

See you at the next meeting . . . Vairs Rule!

Just-A-Minute

MINUTES OF SEPTEMBER MEETING

Meeting called to order by Joe at 8:03 p.m. There were 12 members in attendance. The minutes of the August meeting were approved as published. Mike reported a balance of \$3845.38 in the club treasury.

OLD BUSINESS

The club made a donation to the American Cancer Society in memory of Anthony Johnson's mother-in-law. Former member Mike Adams entered his '64 Monza convertible in the Monmouth Street car show in Newport. Mike has been having some health problems recently so it was good to see him out and about again.

NEW BUSINESS

The club Christmas party will be held at Vincenzo's Italian Restaurant at 6:30 on Saturday, December 7. Nominations for club officers will be coming up in November. The club presented Karl Lemmerman with a Corvair die-cast model in recognition of his 40 years membership in the club. And with the same car for all of those years! Congratulations, Karl.

Meeting adjourned at 8:34 p.m. But with lots of socializing afterward.

Respectfully submitted,

Ralph Gubser, Secretary

MINUTES OF OCTOBER MEETING

Meeting called to order by Wes at 8:10 p.m.. There were 18 members in attendance. We welcomed new member Dennis Murphy. Dennis has a very nice 1964 Spyder ragtop. Glad to have you as a member, Dennis! Mike reported a balance of \$3875.38 in the club treasury.

OLD BUSINESS

The club Christmas party will be held on Saturday, December 7 at Vincenzo's. Those who attend are asked to bring a wrapped gift of approximately \$20 in value. "Stealing" of gifts will be permitted (and encouraged.) Mike has secured a date of Saturday, February 1 for our swap meet at the National Guard Armory in Hamilton. Thanks, Mike!

NEW BUSINESS

The club was sent a nice thank-you note from Karl in appreciation for the Corvair die-cast car which he received at the September meeting. Anthony Johnson thanked the club for our donation to the American Cancer Society in memory of his mother-in-law. Possible winter outings were discussed, including trips to the American Sign Museum, the Antique Boat Connection and the Packard Museum. Any other suggestions for club activities this winter are welcomed. Nominations for club officers will be held at the November meeting. Doug Simon is attempting to organize a car show at his church for late next summer. Motion to adjourn by Brian Heller, seconded by Greg Bodenbug. Adjourned at 9:00 p.m.

Respectfully submitted,

Ralph Gubser, Secretary
