The Prez Sez . . .

January/February 2013

Well it is 2013 and we survived the 12/21/2012 end of the world scare. We had a great turn out at the annual Christmas party. Everyone had a great time and leave it up to Anthony and Wes to bring life to the gift exchange. It was very exciting at the end.

We voted in new officers for 2013. Wes Greiwe was elected to the position of Vice President. Mike Demeter will retain the Treasurers post as well as Ralph Gubser as Secretary. I will remain President again for 2013 unless you guys stage a coup of some kind.

I want to thank Spencer Duffy for his service as Vice President for the last few years. I know I have mentioned this before, but I don't think it can be said enough, Thanks to Doug & Cindy for their hard work as editors of the Negative Camber for the past several years. We really appreciate it!!!!!!

Also thanks to Greg Bodenbug who has volunteered to take on the Camber responsibility.

One thing you will notice for 2013 is that we are changing our newsletter publication to bi-monthly (or 6 editions per year). This is an attempt to help control work load as well as an attempt to have more content in each edition. If this does not work for the members please speak up. This is your club and we can adjust if desired.

We had our tech session at Spencer Duffy's on the 12th to install new push rod o-rings on Anthony's Spyder engine. It was said at a previous meeting that - "You are not a Corvair man unless you have changed o-rings" A new generation of o-ring men were born! It was a great success. We had a couple of Dayton members make it down. I think it was very informative and everyone had a good time. Thanks Spencer for hosting and thanks Anthony for supplying the project. I think we need to do this more often. We have the great opportunity with all the experienced members to pass on the Corvair art.

We also have our annual Swap Meet coming up on February 2nd at the Ohio National Guard Armory in Hamilton Ohio. Plan to come and help as well as make some needed purchases. There is something for everyone.

On a new note, we received a request from Danny Davis who is a new Western Director for CORSA asking for a response to some general questions.

This was a timely email since we have been discussing CORSA over the past few meetings. I responded to him and including the topics and comments I had recorded from the monthly meetings. I will report back anything I hear from him.

See you at the next meeting . . . Vairs Rule!

Just-A-Minute

MINUTES OF JANUARY MEETING

Meeting called to order by new VP Wes @ 8:02 p.m. There were 13 members in attendance.

The club welcomed new member Jim Schneider.

Mike reported a balance of \$3652.27 in the club treasury.

OLD BUSINESS

The general consensus was that the Christmas party went very well. For the second year in a row Wes had his present "stolen" by Anthony. Wes vows revenge in 2013.

NEW BUSINESS

Preparations for the swap meet are moving along well. Mike reported that we already have about 1/2 of the spaces already sold. The ladies have once again graciously volunteered to provide food and beverages for the meet. If the weather cooperates that day we should have another successful meet.

Caesar's Creek is scheduled for Sunday, June 23 at 50 Springs picnic area. We are hosting the event this year. Any door prizes that our members can provide will be greatly appreciated. We still need to investigate having trophies made for the event.

The Hamilton parade is scheduled for July 27.

The club will investigate the possibility of visiting the private car collection of John Rogers. We'll contact him to see if his schedule would possibly allow us to plan the tour for Saturday, March 9. More details next month.

Greg Bodenburg is organizing the 7th annual Leprechaun Rally on Saturday, March 23. This is a charity road rally with proceeds to benefit a no-kill animal shelter. If interested contact Greg for more info.

Special thanks to Karl and Kathie Lemmerman for graciously hosting this month's meeting at their home.

Meeting adjourned at 8:37 p.m.

Respectfully submitted,

Ralph Gubser, Secretary

FOR SALE: 1963 Monza Convertible, 102 PG, Factory A/C, very good condition throughout. Original owner, Bob Shields, 513-922-3712 or fats@fuse.net.

FELLOW CORVAIR ENTHUSIASTS: The time has come for me to sell my most prized possession. Following are several pictures of my 1964 Corvair Monza Convertible. I have belonged to CORSA for many years, hence this is where I received your Chapter information. I personally have owned many Corvairs since 1960 and have enjoyed each one tremendously, but the time has come for this 72-year-old man to part with my best friend. I consider this Corvair to be in near-mint condition with just 8,200 miles since its restoration and overhaul. If there is any interest, I may be reached at 217-343-2424, David Dust (Greenup, IL).

FOR SALE: Complete set of Clark's KelseyHayes reproduction wire wheels for a late-model

Corvair. All parts brand new, still in the boxes. Five wheels, 4 adaptors, 4 knockoffs, 4 inserts. Also includes a new spare-tire mounting bracket, good used spare-tire lock with 2 keys, and a new correct GM lead hammer. Everything you need for a complete installation. Clark's price (with an incorrect aftermarket hammer) is over \$2,300. I'll sell all of it for \$1,700. Ralph Gubser, 513-741-8247, or email Ralph Gubser, rgubser@zoomtown.com.

CORVAIRS: 1965-1967 can restore or use for parts. Eric, 918-955-3767 or cardeals@netscape.com.
