## FROM THE PRESIDENT

Well, spring is finally here while getting to enjoy a few more nice days. We are still definitely in the rainy season. I already have trees that are budding and blooming which also means it's about time to start cutting the grass. I haven't been able to make any headway on any of the vehicles, but I still work on welding up the support equipment as I can. Work is keeping me very busy right now. The big swap meet is only a week away but unfortunately it looks like it's going to be a rainy one. It won't keep us hard-core deal seekers away but it definitely makes it less enjoyable when everything is covered up and out of view.

A small group of us were able to make it out to the Side Draught Inn where our gracious host offered up hot coffee, donuts, and discounted car care products. It was very enjoyable with some very interesting cars in the shop, the weather was crisp in the morning but the sun was out and became a very nice day. It would've been even nicer if I hadn't been called into work afterward.

The Beaver State hosted Econo-run is about a month away and I hope to see a great turnout down in Salem. The national convention is also less than four months away now so I hope you're making plans to attend one if not both of these events. There will be some great looking Corvairs for sure! I'm hoping maybe I'll get to read about someone else's progress in this newsletter. If not, please consider writing up little something and submitting it to Regan and Ritha to put in the newsletter. Pictures are always fun. We would love to hear what you're up to!

See you Wednesday,

Stacy

## *Attention Pacific Northwest Corvair enthusiasts!*

### *2014 ECONORUN Details*

The Beaver State Corvair Club will be hosting this years annual Pacific Northwest Corvair Econo-Run in Salem, Oregon May 2, 3 & 4. The Best Western Plus Mill Creek Inn will serve as host hotel and is close to I-5. Reduced rates of \$109.00 + tax for two queen beds (1-2 guests) and \$114.00 + tax for one king bed (1-2 guests). Included with your stay is a free breakfast at Denny's each morning you will be there. Be sure to mention you're with the Corvair group when making your reservations.

The planned EconoRun route (Saturday) will take us along the foothills of Oregon's Cascade Mountains, by Silver Falls State Park, located 25 miles east of Salem. For those that dare park and turn your engines off, you can hike the trails through the large forested landscape, boasted by (10) world class waterfalls and nationally distinguished historic buildings. Although the complete trail is a full nine mile trek, it is only a short walk to view the famous 177-foot South Falls. A scenic drive nonetheless.

Saturday afternoon will be a show-n-shine and then in the evening awards will be given for mileage and "best of..." Our banquet dinner will be provided by "one of the Northwest's most popular family restaurants" in the hotel's spacious meeting room. Sunday you can head back home, venture back to the falls to get a better look, tour the "Oregon Garden" in Silverton, go shopping, gamble your money away at Spirit Mountain Casino (30 miles away), or just visit with old (and new) Corvair friends some more.
