The Official Publication of Corsa Oregon

July 2012

FROM THE PRESIDENT

Hello everyone:

Even though you're getting this newsletter before the first Wednesday of July, please remember that our meeting is on the **second Wednesday - July 11th**. So enjoy the 4th of July with friends and family if you can and don't blow up anything that you shouldn't. I'm just sayin.

Now that July is here let's hope it means more sun and less rain. I think the official blanket for the northwest should be called the "Tarp". But I guess that's why it's so green and beautiful in this part of the country when summer does finally arrive.

Thanks again to Mike Mehl for his annual update on this years Indy 500 at our last meeting. It's always a challenge for me to try and guess his trivia questions correctly because I'll admit I don't know very much about it. But I do enjoy the history and stories that always come with the discussion.

For this month there are two official Corvair events that I know of. The first is the Western Ultra Van Rally in Salem Oregon from the 12th through the 16th. And you don't need an Ultra Van to participate, just any RV will do. The second event is the national convention in Sturbridge Massachusetts from the 25th through the 28th. If you can't make those events I figure as long as you can get the Corvair out for a drive on a sunny day that should count as some kind of event even if it's not official. I'm hoping to get the convertible out for a nice drive with the top down some warm day this summer.

At our next meeting we will be nominating two people for the board as there are two positions coming to the end of their term. Once we have the nominations the board will then decide where to place them for the term. Sounds like a warm up for the election year or something. Anyway, if you have any thoughts of who you might want to nominate or if you would like to nominate yourself for this great opportunity to serve our awesome club then please come to the next meeting and let us know.

Thank you again for being a part of our great club.
Until next time, "Turn your head lights on" and God Bless . . . Regan
