July 2013

FROM THE PRESIDENT

Hello everyone:

Hopefully you received this newsletter before the first Wednesday of the month — please be aware that this month's meeting will be on the second Wednesday, July 10th due to the 4th of July holiday.

At this meeting we will be nominating and possibly voting for two positions on the board. I can never remember how all this stuff works but I do know that two of the current positions are nearing the end of their term and that means it's time to boot us out and bring in someone new and switch things up a bit. Either way, this is your chance to step-up and take your turn at one of these opportunities and use the gifts you have to help keep our club exciting and fun. It's my hope that more of us could get involved in serving in the various positions so as to bring in some new and unique perspectives and ideas into the club.

Don't forget to send in your annual dues payment or bring it to the meeting if you haven't done so already. And please be sure to fill out the information sheet along with the payment so that we know our records are up to date.

Thank you again to all that were able to make it to Tom and Barb's home to help Barb sort through the many items and getting all the cars up and running. This is one of the greatest benefits of belonging to the club rather than trying to be a lone ranger. Together we're better able to help each other out whenever there's a need, whatever it might be, and in the end it just makes our club a better place. I would also like to thank Doug Bell for volunteering his early four door and his chauffeur services to a couple's 50th wedding anniversary celebration. The couple was excited and grateful for the ride down memory lane as they reminisced of their wedding day in their Corvair. This event was great exposure for our club and Doug had a great time too.

As we are anticipating more dry and warm weather there are many local events scheduled for the summer cruise-ins and car shows. The weekly Wednesday PIR Beaches events have already started and here is a list of some other events I know of: The 16th Annual CNW Orphaned and Discontinued Car Show at Country Village Bothell, Washington, on July 21st. For more info contact Roland Martin at (rolandmartin@earthlink.net). The Olympia Street Rod Association Annual summer car show at the Lucky Eagle Casino scheduled for August 10th. View details on the website at www.olystreetrod.com. The NW Art and Air Festival and the open car show that has a Corvair and Corvette component on Saturday, August 25th in Albany, Oregon. Their website is nwartandair.org.

The last item on our agenda is Corvair College tentatively scheduled for September 21st or 28th. At this time we are still looking for someone that is able and willing to host this event at a location near you. Which means somewhere here in the Portland/Vancouver area. As you know, this is a big event to put together but the host just provides the place and the rest of us will take care of the many other details. So if think this might be something you would entertain doing please let us know and we'll help you out with the rest.

I hope to see all of you at the next meeting so keep your head lights on and God Bless! Regan
