## FROM THE PRESIDENT

It is officially fall, but thankfully the warm and dry weather is still hanging on for us. I have been getting some miles on the Corvairs and was able to take my granddaughters for a ride to the park in the convertible. I strapped them in the back seat and let them experience the top folding up and they thought that was really cool. They told Nanny (Ritha) it was the best ride ever!

Thanks again to Sharon Lawson for setting-up last month's meeting at the PIR Beaches Cruise-In. I think we had a record turnout of over 20 Corvairs with a few new faces that joined us for the first time. The weather was perfect and I think we had a good selection or representation of different Corvair models on display. For next year I vowed to take another route to the track because I-5 just doesn't work for me anymore with its traffic jams. It frustrated Ritha and I.

By the time you receive this newsletter the Corvair College will be behind us so I hope you were able to make it there and enjoy the festivities. It's always a great event and a good excuse to get the Corvair out, lots of good food and delicious ice cream. Ritha will post some pictures from the big day in next month's newsletter.

For our upcoming meeting I think we should discuss the dinner choice for the December auction. That way we'll have some time to think it over if we need to. Please consider volunteering to help with the Christmas Banquet and Auction. I'd also like to give a reminder that if your membership dues are overdue, to please get them in as soon as possible. And if you have a new e-mail or home address make sure to get this new information to Steve Brown so that you won't have any missed newsletters. That's all for now and thank you again for being a part of our great club.

Ritha says to apologize for this month's short newsletter due to time constraints. Next month look for photos and news from the Beaches Cruise-In and other articles.

Till next time – God Bless, Regan Metcalf
