FROM THE PRESIDENT

As I write my outgoing presidents corner I want to thank everyone for the opportunity serve in this capacity. It was nervous fun trying to conduct the monthly meetings, but I did have a captive audience for some of my goofy stories. I had never really paid that much attention to the choreography that went into a meeting when I was just one of the audience, makes me appreciate the members that have served a position before me....Thank you!

I look forward to taking on the newsletter job now and I hope to put out a newsletter worthy of our club. As I have said before, the meetings make for very long Wednesdays, and rough Thursday mornings for me, but I do enjoy visiting with everyone each month and being part of a healthy, active club.

I will always be looking for pictures and stories for the newsletter so let me know what project you have been working on.

See you at Beaches,

Stacy
