Tuesday APRIL 2, 2013
Pontiac / Waterford Elks Club
Spend the evening with your friends at the DACC

2nd Saturday Breakfast

The April meeting of the official DACC 2nd Saturday Breakfast Club Meeting will be held on April 13th at 9 AM. The location will be the Big Boy Restaurant on Plymouth Road in Ann Arbor. Yes, I know that we announced this next meeting would try to be arranged in Dundee. Well, a change in plans. The Big Boy is at 3611 Plymouth Road, exit 41 off US23 just south of the intersection of Route 14 and US23 South. Just a little West of the expressway on the North side of Plymouth Road.

Meet us there at 9 AM. Corvairs are optional but appreciated.

HELP WANTED

Homecoming Hospitality is just not going to be the same without my partner, Mabel. But, the show must go on and to do so, I need a dedicated **VOLUNTEER**. While I will do the shopping, someone must be found that is willing to learn the set-up and help keep the food supplies available to our guests. The hours are long but the satisfaction is great ... and you get to see almost everyone :-). Please contact me, Ken Pepke, 734 476 9616 --or-- kenpepke@yahoo.com

MISSING in ACTION

At one time the DACC had a collection of Corvaire based VCRs. The location of these items is unknown to the BOD at this time. Please contact Ken Pepke if you know their location.

Homecoming Update

The hotel renovations are coming along and should be completed by May. The group room rate will be \$74.00+taxes/night. The online registration will include a discount for payment in advance, this should help at the registration desk on Thursday afternoon.

New this year the President and I will try to have the window cards filled in and ready when our guest check in, we have some nice goodies and could use even more. We need things for the auction too, and people to help in the world class hospitality room and registration.

Back to the Bricks

Lake Shore to Lake Shore Promo Tour June 8-13 \$35.00 registration fee for 1 car with 2 people. Overnight stay in Rockford, Hart, Cadillac, West Branch, Oscoda, and Mt. Pleasant.

Car shows/cruise nights everyday, picnics, parades, tours of local historical attractions and lot's of food and fun with fellow old car people. The towns we stop in roll out the red carpet, close off the main street, bring in the bands, have discounts in local restaurants and bars, give away cool door prizes and more.

If you would enjoy driving your Corvaire or any old car around the great state of Michigan with 100 or more friends for a week in June this is something to consider.

Last year I had the only Corvaire (Skirts) and it would draw a crowd at every stop, maybe this trip the Silver Blue 63 Monza convertible will be fixed in time? For more info check out the Backtothebricks.org web page. I will also have flyers at the April Meeting.

DACC MINUTES

March 5, 2013

Outgoing President Stu Shuster called meeting to order. The slate of officers as published in the Aircooler was passed by voice vote. The new officers are: President Robert Jennings, Vice President Pete Cimbala, Treasurer Paul Piche, Secretary Judy OLeary assisted by Gigi Debbrecht, Membership Clark Hartzel, Editor Ken Pepke, Activities Bill Johnson assisted by Pete Koehler, Webmaster John Allesee.

Incoming President Robert Jennings announced that the Board of Directors meeting would be held immediately after the general meeting. Clark Hartzel reported the current Treasury balance was \$6572.11.

Activities Chairman Bill Johnson asked that all members send him any events that they become award of and he will publish those events together with notices of the Cruises and swap meets that he receives. There will be an indoor event in Monroe on April 21. An event to plan for in the future is the Hines Drive Cruise which he believes is the Sunday following Homecoming. It is on Hines Drive from Ann Arbor Trail to Outer Drive.

The room rate for Homecoming at the Clock Tower Hotel is \$74 (an increase of \$4). The hotel improvements are expected to be completed in April-May. The Ohio group is already waiting to make reservations.

The Grand Rapids club has not yet asked for additional help with the Convention but does appreciate Clark and Paul's assistance with the valve cover race. Three of the Kalamazoo hotels are already sold out for Convention weekend.

Pete Cimbala is building an

autocross car from a 1967 Monza 140 that he plans to allow others to drive. He is also planning on converting a car trailer into a CPF museum. There will also be a Super Monza on display. We can "friend" the West Michigan club to get convention updates.

The Back to the Bricks tour will be 640 miles Lakeshore to Lakeshore. 50/50 won by Bill Johnson (\$48) and Clark Hartzel won the Attendance drawing.

BOARD OF DIRECTORS

March 5, 2013

Our cost for the GM posters from Marvin's brother is \$4 each and we can plan on selling them for \$5 at Homecoming and the Convention.

DACC Facebook page will be announced next month.

May meeting will be the "dust off" meeting.

Gigi Debbrecht

NOTES FROM THE PRESIDENT

Well, you folks have done it now - you have another non-traditional president - one who does not live in the Detroit area and hopefully can get you folks to have more activities a little further afield. Thinking about southeastern Michigan and northwestern Ohio.

On May 19th Sauder Village in Archbold, Ohio will celebrate the automobiles of days gone by with more than 100 antique cars on display in the Historic Village.

Again this year car enthusiasts are coming from Ohio, Michigan and Indiana to display their vintage automobiles and offer unique demonstrations. Cars on display will be older than 1942 with some dating back to the early 1900s! Guests will have a chance to meet with car owners and will even have a chance to ride in and even drive an antique car!

The Irish Hills Region of the AACA based in Adrian, Michigan will be holding their May meeting at this event. We could park the Corvairs

together in the western area of the parking lot and attend as a group. The Irish Hills pay the entrance fee to the village for their members and I propose we do the same for our members.

I am having a stock headliner installed in "Red Rover" and it will be on display in the indoors in the M, B & T Expo building at the Monroe Swap Meet & Car show on April 21st. Hope to see you all there. **Robert Jennings**
