IMPORTANT TIME CHANGE AT THE GM Heritage Center

The GM Heritage Center has an afternoon event on Friday August 23rd so **our start time is 9:00 AM** (you can arrive by 8:30 AM) extending to 11:00 AM. Please adjust your Homecoming travel plans as necessary. This is a shorter duration so please do not be late. Entry fee remains at \$10.

Homecoming

The hotel has been remodeled and is really looking nice, and our friends from out of town should be happy with what they are going to see. Everything will fall into place as we get closer, but it sure would be nice to have some help in the World Class Hospitality Room, cookout, valve cover race and the Registration room.

Bring stuff for the auction, and a lawn chair for the Friday movie night. The swap meet will be big again this year with lot's of parts and Clark will have a road tour planned for Saturday afternoon.

New this year we can cruise Hines Dr. on Sunday after we clean everything up. More details at the meeting and on the web and Facebook pages.

ROMEO PEACH FESTIVAL PARADE

Labor Day, Monday, September 2, 2013

LINE UP TIME IS

FROM THE DETROIT area proceed north on M-53, Van Dyke Av / to 18 Mile Road then stay to the right and take the M-53 by-pass, Christopher Columbus Expressway, and follow it to 34 Mile road. Turn left to Old Van Dyke and turn left to the staging area.

HOMECOMING

IS

COMING!

And I am still looking for a dedicated **FULL TIME PARTNER** to help me in the Hospitality room. While there are plenty of helping hands to serve the food, the partner which I seek will **manage** keeping the food supply ready and fresh.

I have a planned menu and I will be doing the shopping mostly before Homecoming begins. I will spend much of the Homecoming in the Hospitality room but there will be times I must leave.

Please contact Ken Pepke; 734 476 9616 or kenpepke@yahoo.com to become a really important part of our Hospitality offerings.

DACC MINUTES

JULY 2, 2013

President Robert Jennings called the meeting to order at 7:10 PM with 37 members and 2 guests present.

It was Robert's '60 coupe that graced the cover of the July issue of the CORVAIR COMMUNIQUE.

Jerry North introduced us to his grandson, Dan Powell, on his way to begin a youth ministry in Texas.

Bill Johnson provided an update of the many Corvair-oriented activities associated with the season.

The DACC was successful in the drawing for spaces at the Woodward Dream Cruise with an award of 5 spaces. 4 of the spaces have been spoken for with one space still available. Contact John O'Leary at (248) 681-7747 if you are interested. First priority will be given to Corvairs. Price is \$25.00.

Pete Cimbala advises that the DACC Homecoming has received 28 registrations already with 16 "Swap Spaces" sold. More details to follow on the Thursday Homecoming trip to the Corvair Museum. Jack Miller is in rehab. There are 4 Corvairs in the museum.

The early reservation discount has made a big improvement in getting advance reservations and payment and will be a big help to facilitate registration.

Pete Cimbala and Pete Koehler have offered to get the "Super" Corvair and deliver it to the National Convention. May even try to have it running. The Convention hotels are full or filling up quickly. Still looking for help at the Convention especially for Registration, Hospitality and Judging.

Lots of pictures now posted on the "DETROIT CORVAIRS" page on facebook.

The Burgers, Brats and Brake Job event at Ken Pepke's was "Good news – working together to fix these cars".

Attempt to organize a convoy to Kalamazoo did not happen due to varying schedules.

Donna sold herself the winning 50/50 ticket and Harold corralled the Attendance Award.

Judy O'Leary

Kalamazoo Bound

Oh "Yes" we that's Kerry Borgne, Clark Hartzel, Margaux Scott, Lori Komora and Myself. The Valve cover race team!

Will bring and put on the Valve cover races for the Convention. Beginning by taking down the track from the attic. We are going to stay in and show the Ultra Van so we can't carry the track in the Ultra Van, We will take 3 seats out and leave only the drivers seat, then put the complete track in my Chevy Aveo. Kerry Borgne said he would drive the Aveo and Margaux and I would take the Ultra van. Great!!!!

Sunday July 14th 12:30 PM we're off heading out on I- 696. Just as we get to I-275 Kerry says over the walkie-talkie that the Aveo has stopped running. We pull over and Kerry is able to coast down hill to us. Using Kerry's AAA card, he secures a tow service. The Aveo has broken its timing belt. **Bad bad news indeed.** Waiting only about 20 minutes we headed home with our broken Aveo. Getting home we now have to figure out how to get the track to Kalamazoo. ????

Idea. Kerry say's to his wife Jan of 44 years can I use your Ford Focus. And she says yes. In just a few minutes the seats were coming out. Margaux took Jan home, while Kerry and I loaded the track into the Focus. It had 6" more length than the Aveo. Margaux returned and at 4:00 PM we were on the road again.

We arrived at my friends house Clyde and Kay Stanton another Ultravan owner in Middleville Mi. Stayed the night and off to the races in the morning everything else went as planned and we had a great time. Returned on Thursday to greet the Aveo.

70 ½ hours later thanks to Kerry's help the Aveo was on the move again. Total cost including towing, \$637.05 as all 16 valves had to be replaced.

Thanks to all my friends ... **What would I do without you?**

Bill Burt

Bill Burt, Cadeau Terr. #7, London, Ontario has just passed away...and to let you know how much the Plymouth Weekends every year meant to him ... His son Dann, and his grandson Mitchell, have enjoyed going with him , as well as the other Corvairs from London, Ont....Your weekend was always a special fun time for him.....

Sincerely Georgina Burt

THREE LAPS AT M.I.S.

Lap 1:

8 people and 4 Corvairs showed up at the Bomber Restaurant for a great breakfast. Thanks for the support. I was afraid I was going to be eating alone.

Lap 2:

4 people and 3 Corvairs convoy to MIS, 1 coupe, 1 convertible and 1 Greenbrier. It was a nice leisurely cruise out old US12.

Lap 3:

3 Corvairs in show: a Greenbrier, "Red Rover" and the "Black Rat".

Checkered Flag:

Cruising around MIS at 70MPH; nothing broke, nothing fell off, a fist pump at the Start/Finish line for the photographer.

Wow – Life is GOOD!

Convention

Phil Raker, DACC member from Lake City, who always comes to the Homecoming, won the Ed Cole Award for scoring highest points in Concours, Rally, Econo Run and Autocross.

Paul and Margaux Piche and Kerry Borgne took the valve cover track to the convention. Paul usually carries it in his Aveo but a few miles from home it quit running so they had to go back to Paul's and Kerry took the passenger and rear seat out of his Ford Focus? and took the track there in it. Paul, Margo and Kerry slept in the Ultra Van on the way. Helping setup was Margaux, Lori Komora and myself. There were 30 covers in the races. Unfortunately no DACC member made it to the finals. We disassembled the track at 10:30 PM using car headlights to see what we were doing.

Pete Koehler was in charge of the swap meet which had pretty dismal turnout for a national convention. Our Homecoming is a better swap meet.

Pete Cimbala took the Super Monza from the Ypsilanti Heritage Museum to the convention and it was displayed all week.

Ray Dubia was chief security officer for the truck and trailer parking area.

I was asked to be the presenter of valve cover awards and model car awards at the banquet.

DACC and Chicagoland Corvair Enthusiasts were thanked by the convention chairman for our help.

The convention wound up with the car display event at the Gilmore Museum today. Unfortunately I didn't get any of the results of the events so I can't give you results.

It was extremely hot all week there. 96 degrees at the Gingserman time trials Monday. Tons of water was consumed all week.

A pretty intense thunderstorm rolled thru the area Friday night and

knocked the power out at the host hotel. Can you imagine a four Points Sheraton hotel with no power?

It was still out at 3: PM when I went back there to pick up the two big trophies from the Ypsilanti museum that Pete K and Pete C forgot to load into the trailer.

From Clark Hartzel

Sunday, June 30th

By 12:30 a dozen or more DACC members arrived at Ken Pepke's garage to help get Ken's Corvair closer to street ready.

At the front; new speedo cable, brake lines, gas tank & front cross-member reinstalled. New brakes & most lines installed at the rear.

The day ended with a Brats & burgers cookout. Great day!
