THE EDITOR'S DESK

We are about a week away from our 2013 Planning Meeting. I hope all are planning to attend and help line up a great year of events for the Inland Northwest Corvair Club. Please take time to fill out the survey form that was sent out last month. You can send it back or bring it with you to the meeting. If anything, the survey should give you an idea of the sort of things we are thinking about. At the same time, don't let what's listed restrict your ideas and suggestions. What you considered to be completely out of line just might be the magical event the club needs.

Let's make 2013 a banner year for the Inland Northwest Corvair Club. Our planning meeting is scheduled for **Sunday the 10th of February at 2 pm**. We'll meet at the Longhorn Barbecue on Argonne Rd. in the Spokane Valley. Please join us and bring your ideas for what you would like the club to do over the next twelve months. By the way, if you have an idea for event or activity that isn't Corvair or automotive related, suggest it anyway. We might all find that attending or participating in such an event is very enjoyable.

TREASURER's REPORT

Submitted by Dave McChesney

Over the past month we gained \$30.00 in dues and an estimated 10¢ as dividends on our savings. Our current balances stand at \$154.58 for checking, \$1037.01 for savings, and \$1221.74 total. **(A couple of months ago we sent a \$26.00 check to a member as reimbursement, less dues owed, for expenses occurred in hosting a club event. Either the check was not received, or it has not yet been cashed. If you were expecting reimbursement and did not receive it, please let the Treasurer know. If you have the check, please cash it.)**

If you are behind in your dues, please remit as soon as possible or let us know you no longer want to be an INCC member.

PLANNING MEETING 2013

Day: Sunday

Date: 10 February 2012

Time: 2:00 pm

Location: Longhorn Barbecue
2315 N. Argonne Rd.
Spokane Valley, WA

Come help the **Inland Northwest Corvair Club** determine its activities calendar for 2013. Do you have favorite automotive and Corvair related activities? Do you have favorite activities of any kind? What do you like to do on a warm summer afternoon that fellow club members might also enjoy?

Put your thinking caps on, figure out a couple of suggestions and bring them to the meeting. Nothing is too outlandish that it won't be considered. It's much better to have too much on our plate and have to cut back than it is to be hunting and scratching for events six months into the year.
