Meetings

Monthly meetings of the Corvair Club of Cincinnati, unless otherwise specified in this Newsletter, are held on the second Friday of each month starting at 8:00 PM. Currently, the meeting place is the Mount Healthy Community Center near the pool.

Newsletter

The *Negative Camber* is the monthly newsletter of the Corvair Club of Cincinnati and is received free by all members. Ads and items for inclusion should be sent to the Editors:

Doug & Cindy Simon
678 East Rahn Road
Dayton, Ohio 45429
(937) 433-6725
corvairdoug@aol.com

Deadline for material to be included in the Newsletter is the third Monday of each month for publication in the following month's Newsletter.

The Prez Sez . . .

February 2011

Well, we finally had Pizza! We had a good turnout at our January meeting. Good pizza and car videos, what else is there? Thanks Mike for bringing the TV.

We also had a great turnout at the Spurlock Station tour; I counted 14. We spent about three hours between power plant process discussions and touring the plant. Afterwards, several of us traveled to the river town of Augusta, Kentucky (home of Nick Clooney, childhood home of son George) for a late lunch. I'm glad folks were interested in electric generation. It is one of my passions. Thanks for putting up with me. I always have a good time doing things with my fellow car nuts.

Our next big adventure is the Swap Meet. February 5th is coming fast. We covered the details at the January meeting. The hours this year are 7am to 1pm. Folks helping setup should get there at 5:30am. Swap meets have a lot of competition these days with other venues like eBay and Craigslist. We have been successful for many years. I think with everyone's help, we will do it again this year. Thanks in advance for all your help. Everyone always puts in maximum effort. It is a well-oiled machine and fun to be a part of.

Remember March is the Corvair Performance Workshop in Indy. I have been going for several years now. It is always very interesting topics and you get to see several Corvair gurus. If you have not come before, give it a try. There are always about half dozen or so CCC members on hand.

See you at the next meeting . . . Vairs Rule!!!

A handwritten signature in black ink, appearing to be the initials "A" or "J" with a flourish.

Just-A-Minute

January 14, 2011

Meeting called to order by Joe @ 8:03 p.m. There were 18 members in attendance.

Mike reported a balance of \$3,294.94 in the Club treasury.

OLD BUSINESS:

The preparations for the swap meet seem to be on track. Advertisements have been placed in various publications, including the CORSA Communiqué.

The general consensus was that last year's Christmas party met with everyone's approval. No one voiced any objections to possibly having this year's party held at Vincenzo's again.

A final headcount for those who wished to attend the Spurlock power plant tour was taken.

NEW BUSINESS:

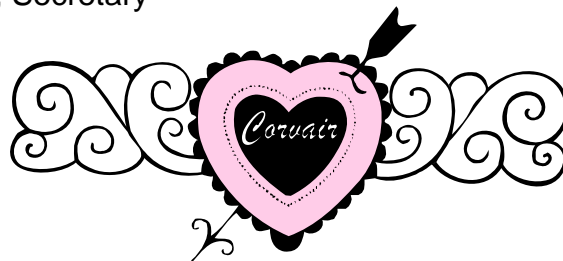

NAPA has printed a 2011 calendar that features a Corvair on the cover and also on one of the months of the year.

There are still a few Club t-shirts available in white or gray. The sizes range from large to XXL. Cost is \$17. Contact Mike Demeter if interested.

We enjoyed pizza and Corvair videos to round out the meeting.

Meeting adjourned at 9:55 p.m.

Respectfully submitted,
Ralph Gubser, Secretary

Spurlock Power Station Tour

On Saturday, January 15th, the Club was given a tour of the Spurlock Power Station by Club President Joe VonDerHaar. Spurlock is a coal-burning, 4-unit plant located along the Ohio River in Maysville, Kentucky.

Joe provided a very informative 2-hour tour of the plant to 14 Club members and guests. If you have never toured such a facility, you probably can't imagine the scope and complexity of such an operation.

In addition to the day-to-day problems, plant operators also must cope with the necessity of long-range planning while interfacing with various environmental and regulatory agencies. As you might imagine, this can be quite a daunting task at times.

After the tour, we drove a few miles down the road to a small eatery where we socialized and enjoyed a pleasant lunch before departing for home. A fine way to spend a blustery winter day!

Many thanks to Prez Joe for arranging this most entertaining outing.

Submitted by Ralph Gubser
