February, 2011

The Publication of the Beaver State Corvair Club

We are at a turning point for our club. It looks like life is getting in the way of Corvairs. We have seen reduced participation at club meetings and events. Patty and I have developed many friendships with Corvair people and we wish them to continue. We are hoping that the inclement weather on the day of our meeting kept some people away that would otherwise have attended and possibly run for office. We postponed the officer elections until our February meeting in the hope of a different outcome. If we do not find volunteers for officers, the February meeting will be the club's last. If you want your club to remain in existence, come to the meeting at our house on February 11th and show your support. Hope to see you here!

PJM

We have people who have been nominated for the following positions:

Vice president, secretary

HOWEVER... if you wish to take on one of these positions, please feel free to “throw your hat in the ring” for any position. We need someone to step up to the position of president!!

We also discussed what would make meetings more enticing” so more members would be present. What are YOUR ideas to make the meetings better? We discussed 4 meetings per year, shortly before the major events of the club, Tech sessions, whatever.. we need your ideas! Please join us for the Potluck on February 8th with your ideas!

Please note: This is a MAKE or BREAK YEAR!

Our club will disband this year without your help!

What better way to support your club than to hold an office.

We need to band together to keep our Corvairs on the road.

We need everyone's help and support.

PLEASE come forward and take an office in the B.S.C.C. 2011
