

ELECTION MEETING

Tuesday March 4th, 2014

Pontiac / Waterford Elks Club

Regular Monthly Meeting

The month of March starts out pretty much the same every year; the people that have been in office since last March show up at the meeting and give their reports as usual. Then for some strange reason they come back in April and are in the same position again, how does this happen? Well a few years ago we had a hard time finding people to step up and take a run for office. To have an election you really need more than one person to vote for, and there have been times when we had two or more people to consider. This year we have one open position and that is Activities Director so here is your chance to get involved and bring your ideas and add them to our list of fun things to do every month. You can also run for the other jobs as well to make it a real election, I should have been twisting arms a little more but I know someone will step up at the last minute? Here is the "slate" as of press time. **PETE Cimbala**

Autorama March 7-9

There may just be a Special Corvair for everyone to see this year, more details at the meeting. And make sure to visit the all new Back to The Bricks Exhibit next to the GM display and check out the pictures of past events.

Breakfast & Work-fest Feb 22

Meet at Rams Horn Restaurant, Utica Road at Masonic in Fraser .

Breakfast on Saturday, February 22nd at 9AM. At 10:15 or so we leave for a short drive to the body shop where Craig Balow's Corvair is being readied for it's debut at the Detroit Autorama Show.

Destination: Show and Go Collision, 9103 Chalmers, Detroit. The shop is just north of I-94. Craig will be providing Pizza and Pop for all those hardy workers that help him get his Corvair closer to being ready for the road to stardom, or something like that. We should be finished by mid-afternoon.

March Program - Tires

It is getting harder to find 13" tires and even harder to find white walls. There are several nice black wall sport series tires that are available in 70 and 60 series. Clark's have been selling 185/80/13 white walls and there are a few on Ebay like the Maxis brand that seem to be a good tire but are a bit pricey at \$105.00 each. Do your research on line and you will find that the big tire stores like Discount and Belle no longer offer 13" passenger tires, only trailer tires. You could possibly special order a 70 series black wall from one of the big stores. Between now and the meeting I will look into this a little more and have some better answers, and I am sure this will give us something to talk about next month and for years to come.
