

The Vair Fax

From the Editor

I'm writing this after getting home from the Hilton Head Motoring Festival and Concours d' Elegance, where we were one of ten Corvairs displayed in the Jamboree (similar to People's Choice) held on Saturday.

Our field of Corvairs looked great parked between \$250,000 Ferrari's and Porsche's. James and Lillian even won an award with their 1963 Rampside.

If you ever get to attend one of these shows, you will really enjoy it. The people there are very nice and we received plenty of positive comments on our cars.

Bill Rudolph had eye surgery for macular problems. The surgery was not successful. He has to go back and see if more can be done, right now he is seeing very little.

Yvonne Kirkman went to the hospital with some health problems and at this point her mind is not clear. John is having problems also. They sure need our prayers.

VAIRS AT THE FAIR - LILLIAN LAW

Vairs at the Fair was a big success because every one had a good time. We were blessed with beautiful weather and good Corvairst friends. Attendance was off a little, the quantity but not the quality, some of our faithful are having health problems and gas prices are keeping people from traveling long distances. Another plus we had 6 people attend that had not been there before. We always welcome new and old friends

We appreciate the door prizes donated by our members and Clark's Corvairst parts. As usual 2 people were happy to go home with cash prizes and one with the 50/50 winnings. Food was plentiful and good, we promise you will never leave hungry

Even though we had less cars we had enough convertibles for the dignitaries. It is always fun to watch the excitement on the kids faces as they eagerly await the candy being tossed to them. I rode in the back of the Rampside with Burkingstock's granddaughter. She had a large pan of candy and had more fun throwing it than the kids on the receiving end.

Thanks to our members and friends for making the event enjoyable and successful.

We welcome new members Tony and Luanne Lafata. Tony is restoring a 1964 Greenbrier. He has owned Corvairst before but work has gotten in the way of the hobby. Tony's other hobbies are model aircraft and rock & roll guitarist/vocalist.

Christmas Party – The Christmas Party will be held on our regular meeting day, which is Dec 8th in Albany, GA at James and Lillian's House.

LOCAL SHOW - CHUCK SMITH

On October 27, Shirley Smith and I attended a car, truck, and motorcycle show hosted by Maynard Baptist Church, in Forsyth, Ga. The reason for the event was to raise funds for the youth groups at the church.

There were 30-35 vehicles registered for the show. Mom took her '67 Sport Sedan, and I took my '67 convertible. The cars and trucks were judged, and the top 25 won a very neat looking plaque. Mom and I each won a top 25 award, and the best of show trophy was presented for a very sharp '60 Chevy Impala.

The kids in attendance were given the opportunity to vote for the car they liked the best. This award was given to a rough looking Lamborghini. This particular car had gull-wing doors that were in the open position, I figure that was why the kids liked it so much! This was a very relaxed show, the weather was pleasant, and as usual, the people in attendance were drawn to the Corvairst, with lots of questions, and of course, lots of personal stories about their past history with Corvairst!

FOR SALE: 1962 Corvair 4DR sedan. It has a complete new ignition system, both carbs are new, new A/C compressor although it is installed it is not completely hooked to system (never run). Good looking black interior seats, tube (original) radio still works, almost new tires, good paint (Candy Apple) with just a few spots of surface rust under paint. Was a Florida car before I purchased it. Engine last run one month ago, and has good power, automatic transmission works good.

In addition I have what I believe to be a complete engine for a 1960 Corvair, new pistons, cylinders, bearings, just is not put together, along with a transmission.

I also have a complete engine for a 1963 (put together, and ran when pulled out). It has a new torque converter (never operated, reason for pulling engine) new starter. Distributor is off of engine as well as carbs. I have the carbs as well as more parts for the 63 engine. Will sell every thing for \$2995.00 or best offer.

If anyone might be interested they can email me at triglide1941@yahoo.com
