VOLUME 42, NUMBER 4

April 2014

Formed By And For Those Who Still Appreciate The CORVAIR Automobile

PREZ SEZ

Well it seems as though winter has finally let go its icy grip on this area and cruising is right around the corner. How about your input on where to go this spring/summer/fall? The discussion started at the March meeting and will continue for April meeting. Let us know what events you like to attend. Personally I can't wait for this area to get started so I hope to trailer my wagon down to my friends' meeting in the Central Virginia Corvair Club April 12.

Alright, before I resort to begging, how about I ask all members to attend just one meeting or show cruise a year. At least some of us will have a face to go with a name. The expertise or experience or just the stories would be fascinating. Share them with us. Anybody want to volunteer to conduct a tech session and dazzle us with your talent with something you did to your Corvair? Sorry these are getting shorter. Once the season gets going, I hope to report from cruises/shows. Till next month.....
